Whereas, the applicant Anthony Fernandez (Owner), has filed an application for site plan review before the Planning Board on the above property. The applicant sought approval as follows: Special Approvals, Sections 600 & 523: Site Plan Approval, New one-story residence.

Whereas, a public hearing was held on September 24, 2009 and the Board, after having considered the application and after hearing testimony and reviewing the evidence entered, finds:

1. The application was made in a manner consistent with the requirements of the Land Development Code of Miami Shores Village.
2. The conditions on the property and the representations made at the hearing merit consideration and are consistent with the requirements of the Land Development Code.

The Board requires that all further development of the property shall be performed in a manner consistent with the site plan, drawings, and the conditions agreed upon at the hearing:

- 1) Applicant to secure necessary DERM or Department of Health approval for the septic system prior to the issuance of a village building permit.
- 2) The pool and deck is not part of the site plan application and is not part of this site plan approval, design and construction to meet Zoning and Building code requirements at the time a building permit for the pool and deck is applied for.
- 3) No air conditioning equipment to be located in required side yards.

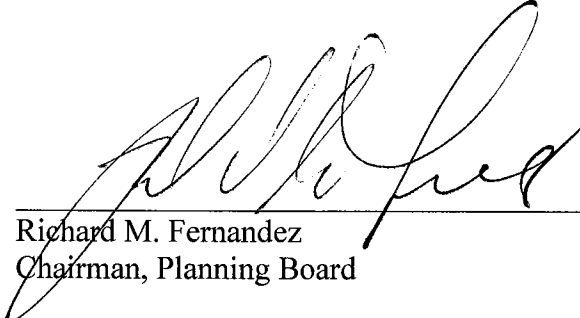

- 4) Driveway is not approved as part of this site plan, design and construction to meet Zoning and Building code requirements at the time a building permit for the driveway is applied for.
- 5) Sidewalk to be no more than 3 feet in width.
- 6) The septic system to be protected during construction.
- 7) Applicant to obtain all required building permits before beginning work.
- 8) Applicant to meet all applicable code provisions at the time of permitting.
- 9) This zoning permit will lapse and become invalid unless the work for which it was approved is started within one (1) year of the signing of the development order by the board chair, or if the work authorized by it is suspended or abandoned for a period of at least one (1) year.

Additionally, the applicant must, satisfy all applicable Miami Shores Village Codes, Miami-Dade County Codes, the applicable building and life safety codes required for development, and provide a copy of the development order to the Building Dept.

The application with conditions was passed and adopted this 24th day of September, 2009 by the Planning and Zoning Board as follows:
