NEIGHBORHOOD ALERT

Con-Man Operating in the Vicinity

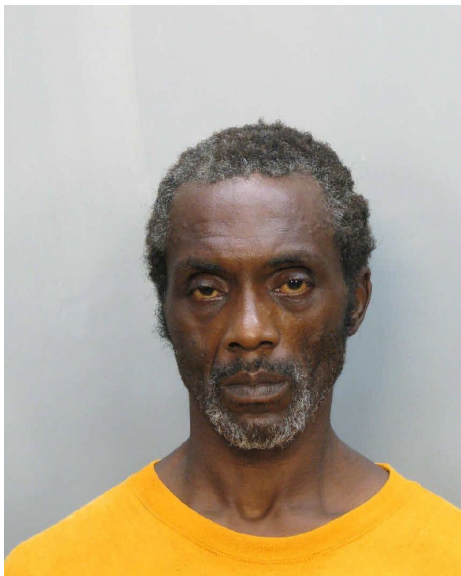

RODNEY ALEXANDER

The individual pictured below is known to perpetrate scams. He has done this in the past, has been arrested multiple times, and has recently resurfaced in Miami Shores. While the story he uses may vary, he generally sticks with the premise that he is a neighbor who has been locked out of his home and he needs money for a locksmith. He may be well-spoken and may appear sympathetic, but do not be fooled: he is a lying con-man.

If he knocks on your door or makes contact with you in the street, residents are urged to call the Miami Shores Police Department immediately.

305-759-2468

Do not give him any money, or your car, or a ride in your car. Decline his request and call the Police.
