## DEVELOPMENT ORDER

**File Number:** PZ-01-15-2015165  
**Property Address:** 88 NW 111<sup>th</sup> Street

**Property Owner/Applicant:** Trifecta Capital LLC  
**Address:** 1504 Bay Road #1204, Miami Beach, FL 33139

**Agent:** Daniel Gitlin  
**Address:** 910 NE 20<sup>th</sup> Avenue, Fort Lauderdale, FL 33304

Whereas, the applicant Trifecta Capital LLC (Owner), has filed an application for site plan review before the Planning Board on the above property. The applicant sought approval as follows: Pursuant to Articles IV, V and VI of Appendix A Zoning, Sec. 400 Schedule of Regulations and Sec. 600. Site plan review and approval required. First story addition.

Whereas, a public hearing was held on **February 26, 2015** and the Board, after having considered the application and after hearing testimony and reviewing the evidence entered, finds:

1. The application was made in a manner consistent with the requirements of the Land Development Code of Miami Shores Village.
2. The conditions on the property and the representations made at the hearing merit consideration and are consistent with the requirements of the Land Development Code.

The Board requires that all further development of the property shall be performed in a manner consistent with the site plan, drawings, and the conditions agreed upon at the hearing:

- 1) Approval is granted as shown on the plans submitted and made a part of this approval to construct a 1,500 sq. ft. one-story addition.
- 2) The site shall not drain onto neighboring or village properties. The plot shall provide storm drainage that detains the first one inch in natural or filtered

structural facilities. The applicant is responsible for any site modifications that become necessary to maintain storm drainage on-site that detains the first one inch in natural or filtered structural facilities. The Building Official may require an architect or engineer's drainage plan and report to certify to the building official that the site will provide storm drainage that will detain the first one inch in natural or filtered structural facilities prior to the drainage work commencing on site. The installation of structures on site to control drainage shall require planning board review and approval. Modifications to the approved drainage plan shall require a signed architect or engineer's drainage plan that shall be subject to review and approval of the Building Official and the Planning Director. Major changes to the approved drainage plan shall require a new site plan review application and review and approval by the Planning and Zoning Board.

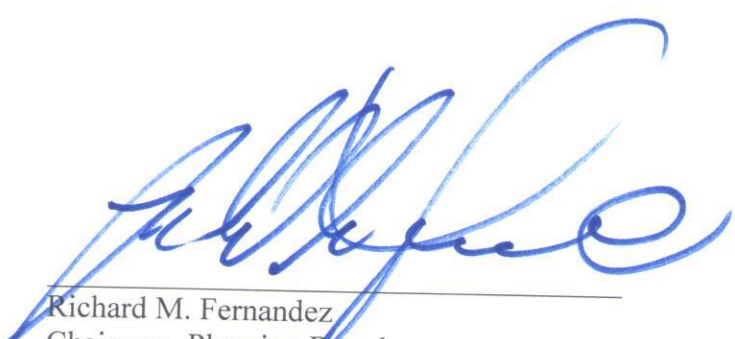

- 3) Ground cover shall comply with the provisions Division 17 of Appendix A, Village of Miami Shores Code of Ordinances, artificial turf is specifically prohibited.
- 4) Applicant to obtain all required building permits before beginning work.
- 5) Applicant to obtain all required permits and approvals from the Miami-Dade Department of Regulatory and Economic Resources, Environmental Plan Review Division (DRER, EPRD) and the Miami-Dade Department of Health (DOH/HRS) as required.
- 6) Applicant to meet all applicable code provisions at the time of permitting.
- 7) This zoning permit will lapse and become invalid unless the work for which it was approved is started within one (1) year of the signing of the development order by the board chair, or if the work authorized by it is suspended or abandoned for a period of at least one (1) year.

The application with conditions was passed and adopted this **26<sup>th</sup>** day of **February, 2015** by the Planning and Zoning Board as follows:
