

Miami Shores Village

Request for Proposals No. 2018-09-02

“Sanitation Rate Study”

Amendment #1 – September 21, 2018

Question: Do you have a time frame for completion and a budget for the project?

This study is expected to have an approximate length of three months and be completed with a final draft submitted to the Village in mid-January. The budget for this project is to be determined on the RFP results.
