MEMO

Report Date	April 18, 2019		
Subject	Analysis of Zoning requirements and restrictions that intentionally or unintentionally prohibit solar PV development.		
Action Required	Review of Code of Ordinances		
Memo Report	Travis Kendall, Director, Planning and Zoning	Implementation Date	4/18/19

Analysis

The Planning Department has reviewed the Code of Ordinances and found no requirements which would prohibit PV development; in fact, the Village through its code supports PV development in all districts. The use of PV is supported in all districts throughout the Village.
